“The 21st Century PowerWomen Coffee Table Book has been expanded to the next level by incorporating a powerful multi media reference section with a wealth of digital content and videos,. These elements will deepen the value of the book, elevate its cultural and educational significance, and showcase a legacy of leadership that inspires impact beyond the page. I am committed to elevating the 21st Century Power Women Coffee Table Book from a beautiful visual collection into a definitive, multi-faceted resource. This strategic expansion will transform the book’s value and impact, ensuring it becomes an indispensable tool for inspiration and education.” **Moonah Ellison, Publisher**

The Vision: making a meaningful difference in talented young film makers lives with scholarships and sponsorships
The Objective: to raise **\$1 million** with the right alignment of visionary partners who share the same mission and momentum.

21st Century Power Women: The Movie

We invite you to be a part of this unique opportunity-**The Filming Project**-that brings together Moves covers, profiles and PowerWomen alumnae with students from the major film institutes and college media departments nationwide.

The project: to create powerful short films highlighting significant world events in the 21st century. Support the next generation of movie makers with inclusive access to MovesNexus members .

Moves Power Women ... Legacy in the Making

The 21st Century Power Women is not just a coffee table book; it is a groundbreaking resource that redefines how we engage with the stories of influential women and headline events of the day. This innovative publication integrates QR codes and on-page links that lead to a wealth of digital content and videos, significantly enhancing the reader’s experience. By expanding the narrative tenfold, it makes an essential addition to any reference section. With its unique approach, this book not only celebrates power and progress but also inspires future generations to embrace their potential .

The New York Women’s Foundation (“The Foundation”) is a nonprofit corporation has determined that sponsorship of the MOVES Coffee Table Book they are exempt from federal tax under section 501(c) (3) of the United States
